

RAINBOW CONNECTION, MARCH 4-6, 2011

The road to the Rainbow Connection took a turn as the venue changed and snow began to fall once again. The competition was originally scheduled for Battle Creek. When that venue was canceled, PHD hit the road to Waterford to compete against dance teams from the Detroit area. By the time the weekend was over, the roads were covered with snow. However, PHD was covered by something other than white, PHD was covered with Platinum. In addition, PHD earned more than a dozen Double Platinum adjudications.

Based on the adjudications, PHD more than held their own. Out of 48 dances, 19 of them earned a special acknowledgement: 6 category winners, 13 placed in the Overall Rankings, 2 awards for Best Costume, and the Rainbow Mascot Award (Mallori).

Rainbow provided PHD with the opportunity to compete against several new studios. Not only did they compete against these studios, PHD left their mark on the competition. Congrats to a good start to the competitive dance season.
